

Main bearings: T3 Segment -
AOB/Tailored - Single row taper roller bearings

Project 'Dumper Transmission'
Single row taper roller bearings
for front and rear axles

Main bearings: T3 Segment -
AOB/Tailored - Single row taper roller bearings

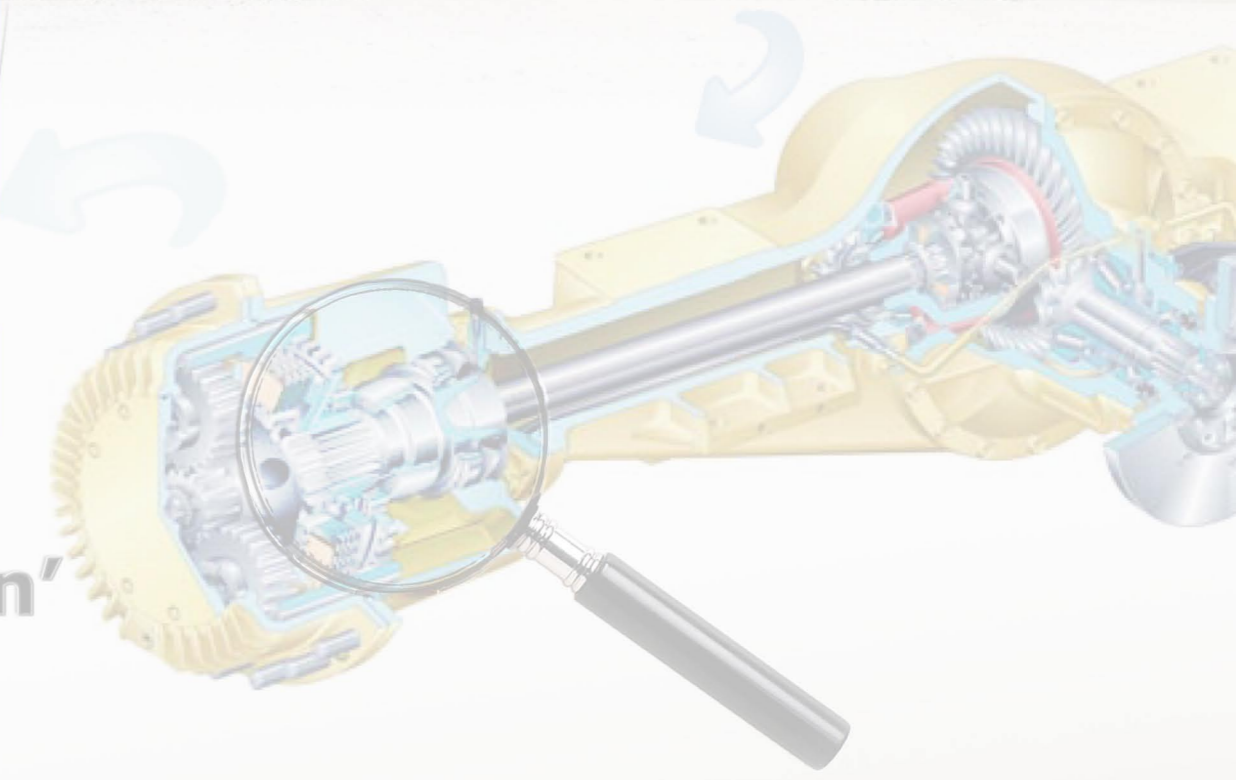

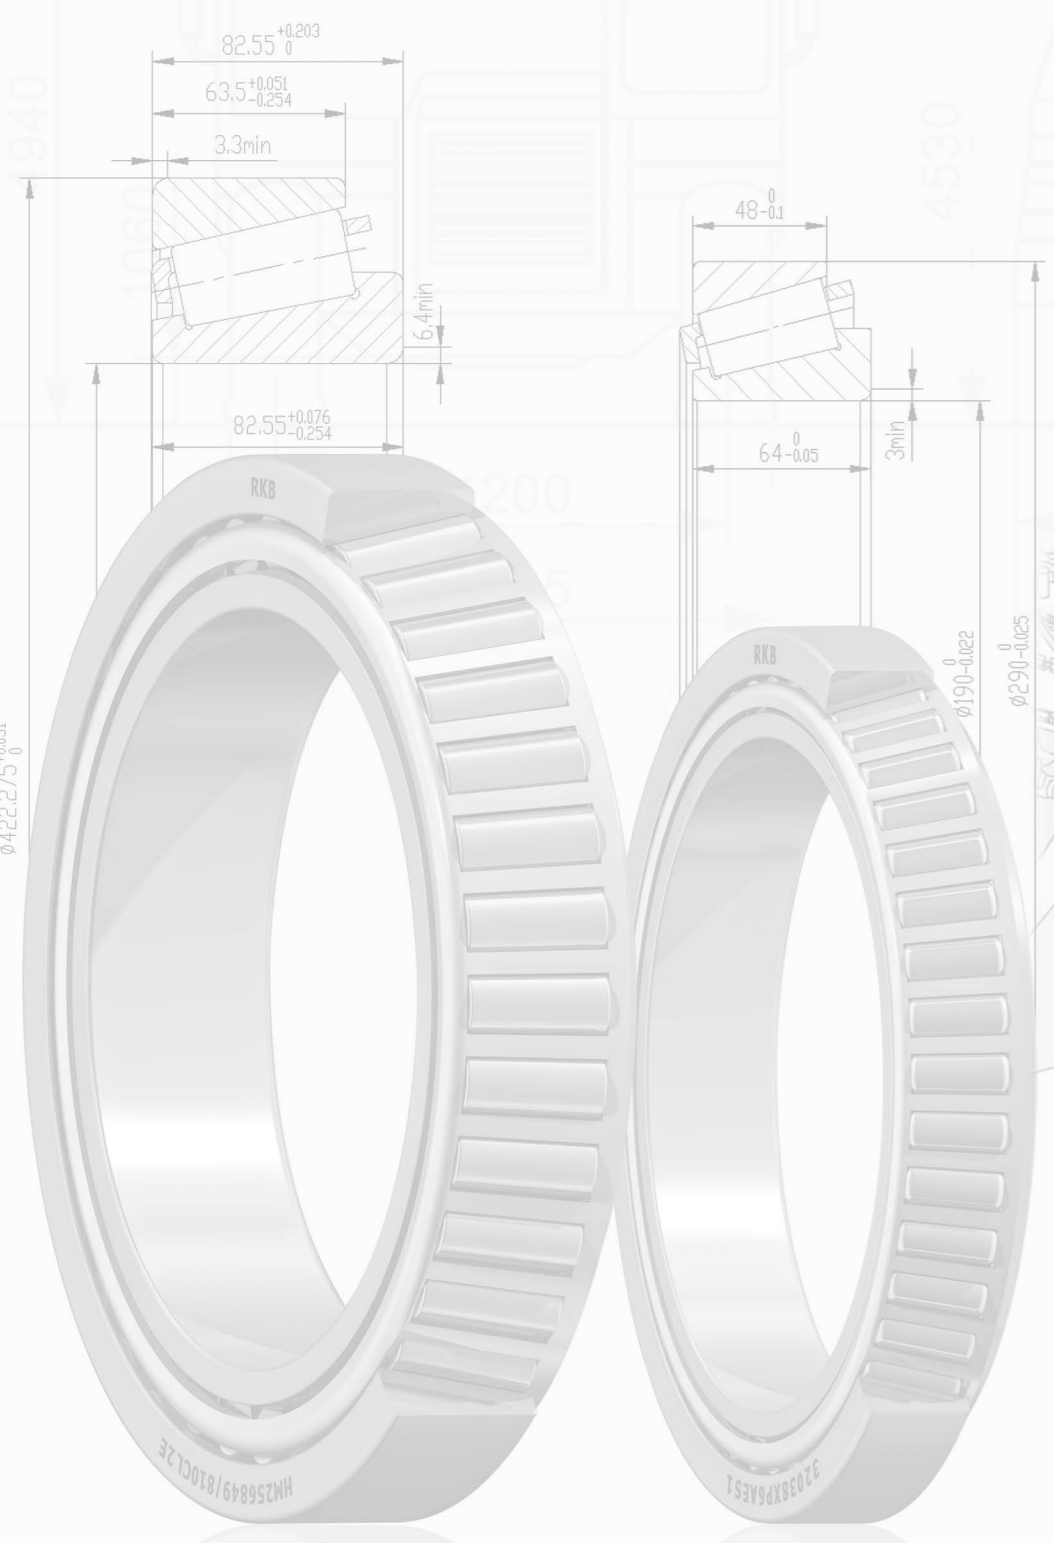

Single row taper roller bearings
for dumper's transmission:
wheel hubs of the front and rear axles

Up to 300 mm inner diameter
and 422 mm outer diameter

E-type design and execution for
high load capacity, higher
accuracy and shock resistance

Rating life > 100.000 km

Project 'Dumper Transmission'
Single row taper roller bearings
for front and rear axles
