

Main bearings: T1 Segment - Deep groove ball bearings

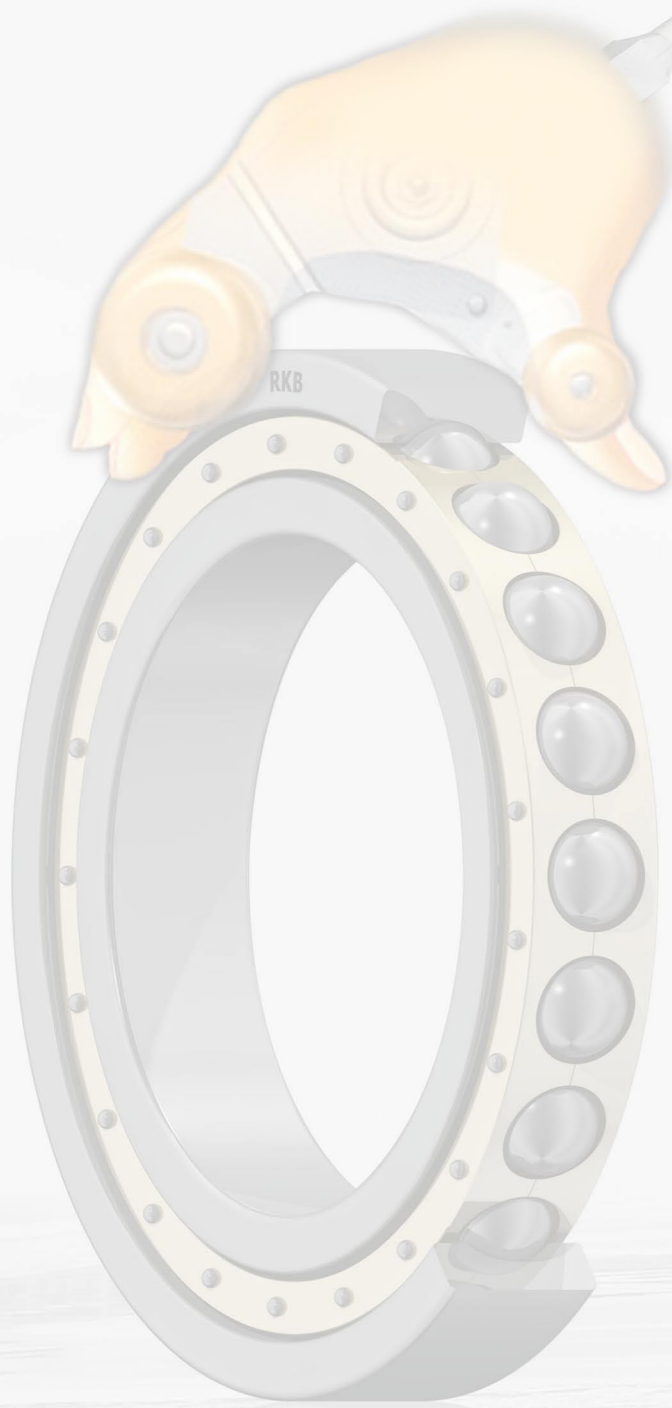

Project 'S12'

Extreme noiseless ball bearings
for home appliance electric motors

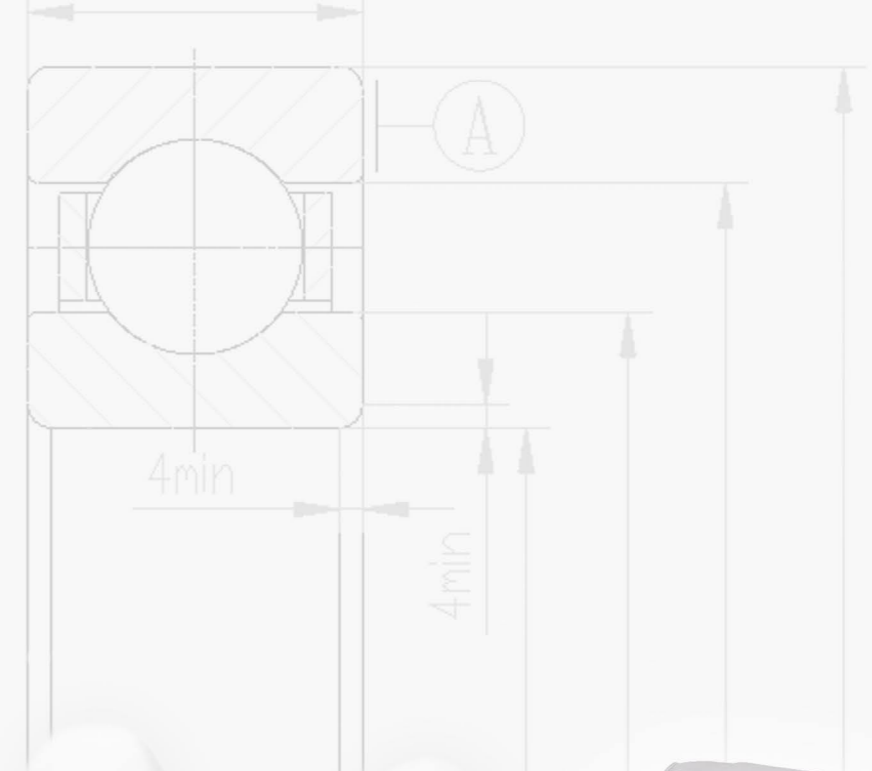

Main bearings: T1 Segment - Deep groove ball bearings

Extremely low running noise at 3000 to 12000 rpm

Better than EMQ V4Z4 requirements

RKB G/R 3 grease

Project 'S12'

Extreme noiseless ball bearings for home appliance electric motors
