

Main bearings:
T3 Segment - Screw-down thrust bearings

RKB
BEARING INDUSTRIES

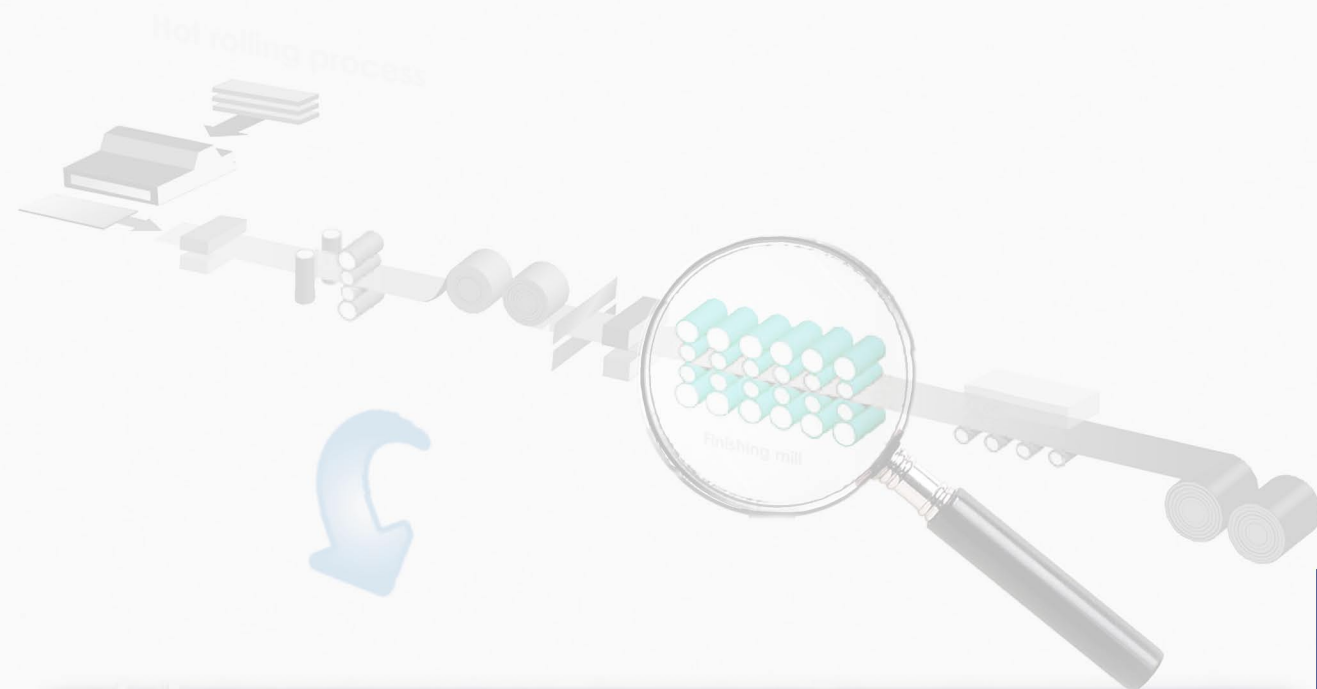

Project 'SDB'
Screw-down mechanism of
high reversing finishing stand

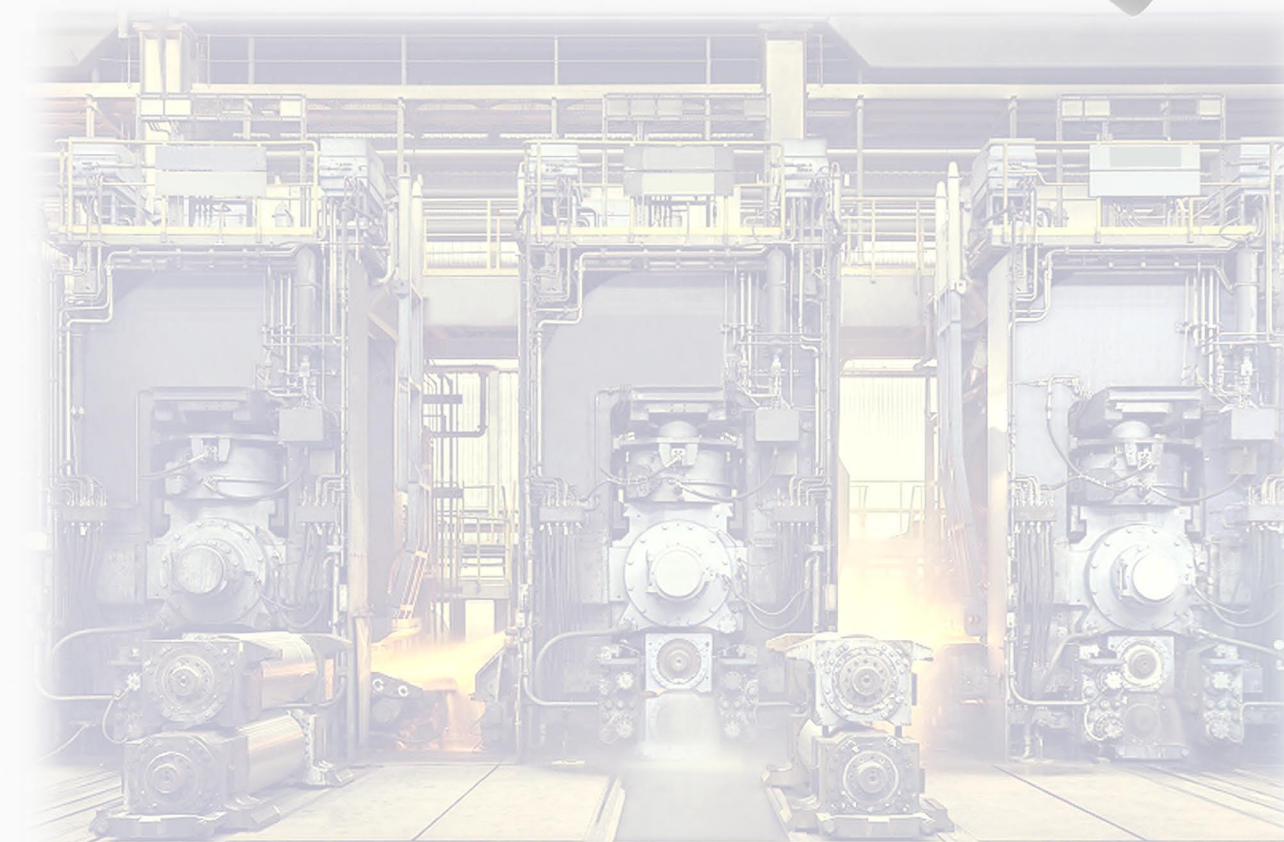

Main bearings:
T3 Segment - Screw-down thrust bearings

For finishing stands of
hot rolling mill

Suitable for low speeds
and heavy loads

RKB SAE 9315 case hardening
steel in RAV protocol

Project 'SDB'
Screw-down mechanism of
high reversing finishing stand
