A 360° VIEW OF RKB

The **RKB Bearing Industries Group**, a Swiss-based manufacturing organization, has been a key player in the bearing industry since **1936**.

Leveraging decades of experience, RKB possesses the specialized knowledge and skills required to design and produce **industrial bearings** from 1 mm bore diameter to over 2.000 mm outer diameter.

With a global distribution footprint reaching **over 70 countries**, RKB provides value-driven solutions characterized by impressive operational adaptability, top-tier services, huge stock reserves, quick shipping times, and the hallmark quality expected of a premium-bearing provider.

TOGETHER WE ARE WORTH MORE!
